INSTRUCTIONS – you need a picture ID card for EVERY player. Fill in all of the information listed. Have the player sign the card. Have your Regional Commissioner sign the card. BEFORE you cut the cards, we suggest that you make a color photocopy of the page to keep with you in case you lose the cards! Cut the cards, and laminate them separately. Punch a hold in the corner and put the cards on a key ring. You will need to show us the cards when you check your team in at headquarters before your first game. You will also present them to the referee (or field marshal) at the beginning of each game.
